For more than thirty years, DanceBrazil has thrilled audiences across the US and throughout the world with its dazzling artistry inspired by the cultural tapestry of Brazil. Whether in the streets or on stage in the most prestigious theaters, the dancers and musicians of DanceBrazil never fail to enthrall audiences with their unique fusion of Afro-Brazilian movement, contemporary dance, and Capoeira, the traditional dance/martial arts form that had its origins in Africa and evolved in colonial Brazil as a means of fighting enslavement. This Caliente Series performance is made possible through the generous support of the Hyatt on Capitol Square and series sponsors David and Mo Meuse.
